Subject: Sunshine 1200k Interested List - Registration Update

This may be the last update to those on the Interested List. I will be sending out an email to the Registered Riders as well as those on the Waitlist and the Volunteer List (Lists 'R Us !).

A few of you have already sent me emails to let me know that you could not do the event. Thank you for that – at this point I don't intend to actually cull the list but I have tracked those responses.

Our first day of registration was a busy one; within 18 hours all the available slots were taken and we are now working on the Waitlist. As is usual with these events, circumstances will cause a number of people to drop out before the event and I expect many to move from the waitlist to registered, if they so choose. As slots open up, I will send an email to those on the waitlist with a link to register.

For those of you who plan on being in Florida during this time span, we can always use more volunteers. Please let me know if you can help.

Thanks for your interest in the Sunshine 1200k !

Dave Thompson.
