This email is going to the people I have on my list of potential and/or confirmed volunteers. Hopefully you know who you are !

I sent out a couple of notes today, one to the registered riders and another to the waitlist. The RR note sparked a couple of cancelations – one a scheduling issue, one a wedding – and by the end of January, when the rest of the ride fee is due, we'll probably have some more drop out.

Each time I send one of these notes, I add it to the website for reference and posterity. That way if someone comes along later and registers, they can read all the emails to date.

Check this page -- <http://www.sunshine1200k.com/comm.html> -- if you want to look at any of those emails.

Shortly we'll need to nail down assignments, the pre-rider list, and I'll want to talk live to some of you about menus etc. for the overnights. That can wait a little but it's amazing how quickly four months will fly by.

Cheers ...

Dave.
